## **Drown in the Drop**

Made to love only  
And yet I am caught  
In love and hate  
All the games

My fate's to love only  
Then why do You not yet come  
Let me wait  
For so long

Every time I do touch  
I cannot feel  
My heart's not asking for much  
Just to be unsealed  
Tell me it cannot be  
It will die unused  
I cannot open myself and that's why  
I'm calling You

If I'm born out of Love  
Then why is it oh so hard to Love  
So hard not to lie

I drink out of the horn of plenty  
And yet I don't feel wet at all  
Let me fall  
Let me swim  
Swim to its core non-stop  
Drop me for good  
Into Your Drop

Even though I do not know  
What Love is meaning  
I thought I just shared my loving  
There's no receiving  
Though deep inside I know it's never  
The other one who's to be blamed  
For failing True Love  
Neither am I

Every time I do touch  
I cannot feel  
My heart's not asking for much  
Just to be unsealed  
Tell me it cannot be  
It will die unused  
I cannot open myself and that's why  
I'm calling You

I Know no feeling is Love  
Just a fake substitute  
I do Know no healing will do  
Heal for good, at all  
Just let me fall  
Let me drown into the Drop  
Let me drown into Your Drop

Made to love only  
And yet I am caught  
In love and hate  
All the games

My fate's to love only  
Then why do You not yet come  
Let me wait  
For so long  
Wait  
Wait  
Wait...
