The Great Beyond

Is the Great Beyond
Greater than this world of form
Oh, I like to know
So I can change the show
Here on earth
In myself at least
The ego beast

Show me the Truth
Only Truth
I feel I'm ready
Ready to receive
Your Great Gift
I'm willing to
Allow You, Who You Are
Your One Heart
Shining Light
Fading all of my I
You provide the Eye
To See reality

I cannot sleep
I find no rest in me
Never no more
Before You have revealed
Who I Am, Who You Are
And the part I play down here
This drama spread
To obey Your Heart

Show me the Truth
Only Truth
I feel ready to receive,
Value beyond anything
Your Greatest Gift
I'm willing to
Honour You, What You Are

Justin Heart – The Great Beyond

Pure Heart
Hurting Light
Burning all
Ashing my I
Let it fall in Your Eye
To See the Depth of the Sea

Mmmmmm
Mmmmmm
Have I been fooled
For so long
Sound asleep – asleep
